

CHANGE IN 2004 SALARY LIMITATION ON GRANTS, COOPERATIVE AGREEMENTS, AND CONTRACTS

RELEASE DATE: March 11, 2004

NOTICE: NOT-OD-04-034

National Institutes of Health (NIH)
(<http://www.nih.gov/>)

This notice provides updated information on the FY 2004 salary limitation.

On March 3, 2004, an Executive Order (EO) was signed to implement a retroactive pay increase for Federal employees. This EO, which implements the pay raise approved by Congress in January, applies to certain rates of Federal pay including Executive Level salaries. As a result, the Executive Level I salary level increased, effective January 1, from \$174,500 to \$175,700.

Consistent with NIH's implementation of the FY 2004 salary limitation, if grant awards (competing or non-competing) have already been issued in FY 2004, no adjustments will be made. However, rebudgeting is allowable. Additional details on NIH's implementation of the salary limitation can be found at "[Salary Limitation on Grants, Cooperative Agreements, and Contracts.](#)"

INQUIRIES

Questions concerning this notice or other policies relating to grants or contracts should be directed to the grants management or contracts management office in the appropriate NIH Institute or Center.
